- Ensure high standards of discipline among staff members and students alike.
- Ensure adherence to administrative, academic, research and financial policies, rules and regulations.
- Chair various statutory committees of the college and those delegated by the Deputy Vice Chancellor.
- Carry out any assignment delegated by the Deputy Vice Chancellor and the University Registrar from time to time.
- Market the University/College by giving desirable visibility through interaction with government, the public, the donor community and the outside world on higher education issues.

Academic Affairs

- Provide overall College leadership and support on all academic matters by ensuring adherence to the academic calendar and deadlines for submission of all reports required by University Management.
- Explore and facilitate alternative teaching and learning avenues (including open and distance learning) in order to widen access to higher education.
- Liaise with external stakeholders to develop and maintain strategic academic partnerships.

- Uphold high standards of academic teaching and learning at the College and ensure that Curricula are adhered to and reviewed periodically.
- Ensure that mechanisms for quality control and inspection are in place and are functioning properly so that the quality of the graduates is consistent with both regional and international expectations.
- Ensure the College implements strategy to achieve ISO certification.

Finance Management and Resource Mobilisation

- Spearhead strategic planning, and implementation, development of work programmes, budgets, business/marketing and investment plans.
- Ensure preparation, defense and implementation of Budgets for the college.
- Ensure the college implements the resource mobilization strategy and that projects are identified, funded and implemented.
- Lead the resource mobilization initiatives and ensure that funds raised by the University and those provided by government are managed properly.
- Develop and manage strategic alliances and partnerships with the public and the private sectors in areas of mutual interest.

Human Capacity Building

- Attract, motivate and retain highly skilled and talented staff in all categories, teaching and non-teaching.
- Enhance performance of all staff members
- Ensure staff meet performance targets in line with the Performance Management System.
- Ensure effective operationalization of the human resource and development policy

Infrastructure Development

- Keep University Management updated on all Infrastructure Development projects and plans at college.
- Coordinate Infrastructure development projects in the College.

- Facilitating and coordinating the implementation of remedial strategies to improve teaching and learning environment in the college

Research and Publications

- Ensure implementation of University Research Agenda which fosters application of research results to improve knowledge and human welfare.
- Facilitate collaborative research projects and innovative research that can result in improved production, processing and marketing of agricultural products.
