

The *Malawi Journal of Agriculture, Natural Resources and Development Studies* (MAJANDS) is a biannual, peer-reviewed, open access international scientific journal that publishes original research papers, short communications and review papers. Thematic areas appropriate for the *Journal* include;

- Animal and Veterinary Sciences;
- Aquaculture and Fisheries Sciences;
- Bio-resources Systems, Engineering and Technology;
- Biotechnology;
- Crop Sciences;
- Development Studies;
- Natural Resources, Energy and Climate Change;
- Nutrition and Food Science.

MAJANDS welcomes the submission of manuscripts that meet the general criteria of significance and scientific excellence in any of the stated thematic areas. Preference is given to manuscripts that are well-prepared, well-organized, and well-written in English. Papers will be published approximately one month after acceptance. Our objective is to inform authors of the decision on their manuscript(s) within six weeks of submission. Following acceptance, a paper will normally be published in the next issue. Instruction for authors and other details are available on our website <http://www.bunda.luanar.mw>. Prospective authors should send their manuscript(s) to: majands@bunda.luanar.mw
