This book invites you to a journey of indigenous knowledge and experience. Most of all invigorating - the legacy of peaceful society. Abdi boldly attempts to defend his root. He gives us positive look to continue unaffected at the time of astronomic flux. It is really daring confidence. It is a-must read book.

Ahmed Zakaria, Assistant Professor, Addis Ababa University

An excellent example of History in Africa that represents and exemplifies co-existence, tolerance, peace and unity. The book records full of challenges, commitments and continuity. A-must have book under your armpit.

Dr. Natalie Hahn, Country Representative, UNICEF, Malawi

A book that highlights adorable traditionl treasure that must be preserved, nurtured and sustained. Educating, Informing and Entertaining book.

Hon. Marwan Badri, Former Harari Education Bureau Head

The cultural issues are presented in very interesting way. Very educative piece of work; and symbolizes co-existence and peace!

*Dr.F.M. Gulule Education Specialist
Language and Communications Department, University of Malawi*

The history of Harar is the most exciting tales in East Africa but who is there to tell it in our homes, our schools or on the wireless? Let's tell the children as the psychosocial momentum is set in this book
