RELEASE OF NAMES OF STUDENTS SELECTED INTO THE LUANAR BRIDGING PROGRAMME FORTHE 2026/2027 ACADEMIC YEAR UNDER THE FAWE/MASTERCARD FOUNDATION BURSARY

The Lilongwe University of Agriculture and Natural Resources (LUANAR) through the **Centre for Continuing Education and Professional Development (CCEPD)** is pleased to announce the names of students who have been selected to join the LUANAR Bridging Programme under FAWE/MASTERCARD Foundation Bursary program for the 2026/2027 Academic Year.

The LUANAR Bridging Programme is designed to equip selected students with the academic knowledge, skills, and competencies required to successfully transition into university education. The programme provides an opportunity for eligible candidates to strengthen their academic foundation in preparation for undergraduate studies at LUANAR.

Students admitted into the Bridging Programme will be required to successfully complete all prescribed bridging courses before being considered for admission into their respective undergraduate degree programmes.

The Bridging Programme classes will commence on 14th July 2026. All selected students are expected to report to LUANAR NRC campus on Sunday, 12th July 2026, and attend a mandatory orientation session on Monday, 13th July 2026.

LUANAR congratulates all the successful candidates on their selection and wishes them every success as they embark on achieving their academic aspirations.
