Quality Policy Statement

LUANAR is committed to excellence and assurance of quality in advancing knowledge and producing excellent graduates to the satisfaction of relevant national and international stakeholders.

OVERARCHING QUALITY OBJECTIVES

LUANAR will achieve its Quality Policy by:

- 1** Ensuring that all programmes are of high standard and continued relevance to labour markets and employment creation;
- 2** Providing adequate and accessible infrastructure for quality teaching and learning, research, and outreach;
- 3** Safeguarding academic standards and quality of education in the university;
- 4** Ensuring that standards of awards are appropriate and meet local and international requirements;
- 5** Ensuring institutional commitment towards enhancing the quality of student experience;
- 6** Enhancing quality in its processes and service delivery; and
- 7** Satisfying internal and external stakeholder requirements on resource utilization.
